1. Press the Yellow button beneath the word Code on the display.
2. Enter the parking code: 74860
3. Press the check mark – the green button beside the yellow buttons.
4. The machine will say Account Valid and prompt you to enter your stall number.
5. Once the stall number has been entered, press the check mark.
6. Press the yellow button below the word prepaid on the display screen.
7. The ticket will print with the amount paid showing as: PREPAID
8. No need to display the ticket as entering the stall number will turn off the light above the stall where your vehicle is parked.
