Avenue Magazine's Top 40 Under 40 Reaches 25th Anniversary

This year's annual celebration of Calgary's best and brightest community builders, leaders and artists marks 25 years of acknowledging those who have made our city a better place to live, work and play. Accounting for duos and trios there are 45 individuals being recognized on Avenue Magazine's 2023 Top 40 Under 40 list – and **15 of them are UCalgary Alumni.**

As we celebrate the 25th year of this prestigious honour, Mike Fisher catches up with past Top 40 Under 40 UCalgary alumni, Ian Chiclo, BA'91, Rahim Sajjan, BSc'01, BEd'03, MEd'22 and meets 2023 recipient Ashley Wanamaker, MC'17.

Dig In! To the Affordable Housing Crisis

Affordable housing is a crisis that matters to our community, and that has been especially top-of-mind lately due to other rising costs of living, population growth and low housing inventory. Join us for a light breakfast and deep discussion on December 5th with UCalgary alumni and researchers who have and are currently working on the issues associated with affordable housing in Calgary, including social assistance, poverty-reduction, home inequality and the emotional dimensions of local area planning.

Alumni Exclusives

UCalgary Graduate Powering Innovation

From small-business owner to leading a group of major players in the Calgary innovation ecosystem, Jennifer Jensen, BA'06, MBA'22, has never lost her entrepreneurial spirit. Jensen describes her own journey as "unconventional," but in many ways, it mirrors the innovators she welcomes and supports in the Calgary tech and innovation ecosystem as executive director at Calgary Innovation Coalition (CIC).

The Art of The Nudge

Changing social norms to advance gender equity within traditionally male-dominated workplaces is a tall order. A collaborative pilot program between the Calgary Police Service and UCalgary's Faculty of Social Work proves the power of a "nudge" approach.
